## COURSES

**Kodilla - Web Developer Course**

2018-2019

-I finished Web Developer course by "Kodilla" lasting from October 2018 to September 2019. The course consisted of 37 modules every one lasted a week. Every week I was talking with my mentor. During the course I did exercises and projects such as:

- company site - fully customizable company site: HTML, CSS, mobile compability,
  - shop - shop with cart functionality and PayPal api: HTML, CSS, JavaScript, React,
  - kanban board - lean method to manage and improve work across human systems: HTML, CSS, JavaScript,
  - administrating panel - banner and link management with sidebar: HTML, CSS, JavaScript, mobile compability,
  - rock paper scissors game - simple game with some extensions: HTML, CSS, JavaScript,
  - my personal site - representative page: HTML, CSS, JavaScript, React,
  - responsive SPA, MPA,
  - worked few in a backend,
- when I finished the course I received a certificate.
